Dear Parents,

**PLEASE SHARE THE CONTENTS OF THIS LETTER VIA MESSAGE OR TELEPHONE CALL WITH ANYONE SELF-ISOLATING AND DIRECT PARENTS TO 'LATEST NEWS' ON OUR WEBSITE.
A COPY OF THIS AND PREVIOUS LETTERS CAN BE LOCATED THERE. THANK YOU**

Could we please ask that you are patient with our administration team as we are very busy in the office at present as we are making more and receiving more phone calls at present.

As you are aware, we have all had new Government guidelines which we need to adhere to. Children and anyone in their family home displaying symptoms that include a temperature and persistent dry cough in the main will need to isolate for 14 days. This applies to all families, no exceptions. Please do not return your child to school if symptoms appear to have cleared before the end of the 14 day window.

In addition to purplemash.com for which all children have a login (this can be found in their reading records), children can access Home Learning Packs available at www.twinkl.co.uk/offer. You can access all the materials for free for a month if you create an account. Once you have created an account search 'School Closure'.

Class teachers have produced work for all of the children too. This will be made available on Friday 20th March.
