

Year One News

News from class

I hope you have all had a fantastic Christmas & New Year! We have been thinking about you all and wondering how you are doing? Sending our virtual love to you in these challenging times. The children have settled well in school and are very much taking it in their stride. This week we have been writing the story Jack and the Beanstalk. We have been using our checklist to help us write and our focus for this week has been to use a conjunction to join two ideas in a sentence together. We have also been editing our writing to improve it. Some of the children have been learning the split digraph 'u_e'. We love doing the FRED talk wiggle! Today a group of children also enjoyed practising other digraphs and including 'sh' and 'th'. We love acting out the phonics phrases to help us remember each sound.

HLTA	IF	TA	TD
LO: To write the beginning of the story Jack and the Beanstalk			
I can use capital letters and full stops			
I can use a conjunction to join two ideas together			
I understand that a story has a beginning, middle and end			

One upon a time there was a boy called Jack and he lived with his mom. One day his mom told him to sell the cow and he did it. He went to sell the cow and on his way he met a magic man.

News from home

We hope the children and parents at home are beginning to come to terms with yet another lockdown. Thank you to all who have kept us updated with your home learning! Aurora has been learning all about plants. I love her diagram of a flower, do you? Inna has been working on her addition and subtraction to 20, using a number line. Another big well done to Hiro who has been working hard on his handwriting. Olivia sent us some photos of her puppies! What a lovely surprise... We all think they are very cute! Harvey has been finding his way around Purple Mash.

Well done everyone 😊

Class joke

What do you call a dinosaur that is sleeping?

A dino-snore!

Top Learning Tips

- Make sure you're staying hydrated... drink plenty of water throughout the day!
- Break up your learning with down time so it doesn't feel as intense.
