Dinner Money

Could we kindly ask that you pay for your child's dinner and not allow your account to fall into debit. We will be forced to ask that your child brings in a packed lunch if debts are not cleared in a timely fashion. Thank you.

Absence

Could we please ask that you contact school to let us know if your child is going to be absent. Please ring us on 01952 388255 and speak to Mrs Pryce or leave a message on our answer machine. You can send a message via Parentmail too. Keeping children safe is everyone's business and we need to know where all the children are and that they are safe. It is your duty of care to make contact with school.

Thursday 30th September

Here are our Year 6 children planning the nature area, and then using loppers, secateurs and rakes to clear some paths through it. They all worked really hard and they thoroughly enjoyed doing it too. Really brilliant job everyone and great team work too.

Year 4 Roman Work

Here are just a few of our Year 4 children showing- off their incredible work and looking very proud of themselves (and so they should). The standard of their work is brilliant and they have taken great pride over their presentation and creative skills. Well done Year 4. Keeping enjoying learning all about the Romans...tell your people at home about all the things you have been learning.
