Could we ask again that you consider where and how you park in September. A parent reported another incident of unacceptable parking of a silvery blue fiat in the mouth of the play

park entrance. Also, if two cars are parked parallel to each other, please consider whether a fire engine or ambulance could reach school or one of the residents. Thank you for your anticipated support.

"Goodbye"

I'm glad I was your teacher.
I've come to love you so.
I can't believe the end is here.
I hate to see you go.

I've watched you learn and grow
and change from day to day.
I hope that all the things we've done
have helped in some small way.

So it's with happy memories that
I send you out the door
with great hope and expectations
for what next year holds in store.

Remember all the fun we had
in all the things we did,
but most of all remember...
You're a very special kid!
