**St Mary's Catholic Primary School****Year 5/6 Parents**

As part of our work around the human body we will be having an outdoor learning day covering a variety of learning to support our topic - healthy eating and outdoor cooking, the effect of exercise on the body, and we will be celebrating 'Restart your heart day' and lots more.

Children will need to be prepared for the day as most of it will be taking place outside.

It is our aim to do this day on Wednesday 9<sup>th</sup> November, the forecast at the moment looks to be fair that day.

- Please can children bring an extra layer of clothing jumper etc
- A warm, waterproof coat
- An old blanket or similar
- An old mug, preferably something suitable for outside, travel mug etc
- Wellington boots or waterproof alternative (different footwear to their school shoes)

It is an action packed day, full of exciting learning .

Thank you for your support.

Mrs Lambie and Miss Carver
