Reception and Year One Snacks

It is deemed good practice nationally to provide a plain carbohydrate mid-morning snack for the youngest children in our care, our Reception and Year Ones. We provide daily fruit and breadsticks as both are popular and

well-received by the children and there is no onus on you to provide anything at breaktime at all. If you really prefer to do so, you can provide a dry, plain carbohydrate of your own if you so wish. This could be a breadstick of your choice, a couple of plain crackers, plain rice cakes, or a small pot of dried cereal. Anything sugary, coated in chocolate, containing jam, flavoured or salty is not plain. Please choose breakfast cereals with the lowest sugar content, those which are labelled as 'low' (green) on the packets. Anything other than something plain, for instance, yoghurts, crisps, chocolate bars, cakes and cereal bars can be eaten at lunchtime. Any snack provided by home must not contain peanuts or traces of peanuts.
